

TECHNICAL INFO

Distance **33km**
 Height **375 meters**
 Technical level **Difficult**
 Physical level **Medium**
 Time **3 hours**
 Pavement **Asphalt and soil**
 Start point **Tortosa**
 Finish point **Tortosa**

PROFILE

DESCRIPTION

We leave the Old Slaughterhouse in Tortosa in the direction of the red bridge and the cycle path that leads to the Ebro delta, which we take. We continue along the path to CAMPREDÓ, FONT DE QUINTO TOWER AND CASA DE PRAT From there, we climb towards the trig point and the HERMITAGE OF SOLICRÚ. We turn to the right and follow the trail around the bottom of the mountain and to the train tracks.

Cross over, turn left onto the path and then cross the bridge. Turn right towards the Baix Ebre industrial estate and the Estampida trail. From there, we look for Camí de les Barraques, Espluga, TriCampredó, Julito and the exit for ARGILERS D'ANGUERA and the C-42 road. Next we climb ARDIACA and then go down the other side to the HERMITAGE OF PETJA AND TORTOSA.
