PROFILE

DESCRIPTION

The former Tortosa slaughterhouse is the starting and end point of the route and it is about 15 km. Tour around BÍTEM, passing by Bitem pier and the island of Audi. Family route with some pieces of road that goes parallel to the channel. So, this route is recommended for children of 11 years and over. Take caution while riding. The former Tortosa slaughterhouse is the starting and end point of the route. This family route goes up to BÍTEM.

You will cycle on the road during the first part of the route. Currently there are expansion works on this road. Once you get to BÍTEM, turn on the first street on the left that goes down a little bit. 10 meters ahead, turn right and follow the path that crosses orange fields. Then, head to the channel to turn left and get closer to Bitem pier. The view of the EBRO RIVER HERE IS OVERWHELMING.
